“OPENING SEASON UPDATE”

President's Message

Rob Frank - President

A warm welcome to all new and seasoned owners of PWR. Springtime in Sylvan Lake symbolizes a fresh new start. Besides a lot of S's this holds true for just about all aspects of our parks operations. First and foremost we'd like to thank Tony Suberlak for his support on our Board. Unfortunately Tony had outside activity that required his full attention and it was necessary for him to resign from his role as President. I became President with the support of Al Rosnau, David Warren and Wes Worobec. Last season brought many provocative and intriguing challenges. This Board has met these issues and dealt with them in as logical and reasonable a manner as possible. Our playground committee has been very active upgrading our

playground from a safety compliance rating of 52% all the way up to an 86% rating so take a bow all that contributed to this very worthwhile project. If you can help the park in any way with your experience or resources please do not hesitate - simply contact any board member or Sunreal to step up and help out!

We would like to take this opportunity to welcome and introduce to you our new landscapers Big Country Maintenance and the new pool care operator Supernova Industries. They are taking over this year from Maple Bay Maintenance. Please join us in making these folks feel wanted and needed.

Last year's Golf tournament was a huge success and I urge you to sign up early for this years tournament to avoid the disappointment of what will be a sure sellout. Our goal as your Board is to ensure a lifestyle enhanced by a well run, clean safe park that we all enjoy coming to and showing off to our friends and family for many years to come.

Thank you,
Rob

Our volunteers whom donated time and skill to our park are much appreciated and these efforts go a long way to making Points West an Enjoyable Safe Fun Family Environment.

Playground Committee

The Playground Committee worked hard this season to repair equipment and replenish the pea gravel so the site will be ready in the spring for the children. Please contact Sunreal Property Management if you have some time and skills to donate to keeping the playground clean, safe and maintained.

Social Committee

Thank you to everyone who has given their time and efforts in making PWR an extra special place to spend summers! Please consider volunteering for the Social Committee to keep the wonderful community spirit alive in the resort.
