

Points West Resort

Sylvan Lake, Alberta

Newsletter – Sept. 2008

Thanks to Robert (Lot 30) for doing the playground inspection.

Ideas are currently being looked at for the bathroom modernization project by a number of lot Owners and Sunreal. Action plans to be put together.

Corporate Survey

All Owners should have received the Corporate Survey in the mail by now. The Corporate Survey will be posted on our website shortly for those that did not receive it. It is downloadable, and can be printed.

October 15, 2008 is the deadline for all responses. Responses will be used by the Board to prioritize, and come up with a plan for long term sustainability.

UPCOMING SOCIAL EVENTS

FAREWELL TO SUMMER
AUGUST 30
THANKSGIVING
OCTOBER 11

Thanks to the social committee, golf committee, and the many volunteers for their time and effort in making PWR an extra special place to spend our summer!

HAVE A GREAT SUMMER!

WOW! That was Fast! Summer was short, but we hope all had the opportunity to enjoy what the season had to offer.

Pool and Spa

Due to Health regulations, the pool and spa will be closing earlier than the posted time of 10PM as agreed at the AGM.

The pool and spa will be open until closing Sunday September 14.

Maintenance activities will commence shortly after to address identified issues in preparation for next season.

Social Activities

A great time was had by all who participated in the annual PWR Golf Tourney at Top Of The Hill golf course. Lots of prizes were donated by Owners and the local business community. We had a "hole in one" on hole number 2 by Wayne (Lot 74). It was an awesome shot said those who witnessed it. Ask Wayne to tell the story when you see him.

The Ghosts and Goblins came out and "spooked" the Park at our annual "Halloween In August" event. The turn out was outstanding, and many participated (kids and adults) by taking part in the event. Many great costumes and prizes!

PWR will be hosting a "LUAU (Pig Roast)" as part of our annual "Farewell to Summer" event on Sunday August 31st. There was an overwhelming response to the LUAU and the event is now sold out.

The annual "Farewell to Summer" bonfire will go ahead later that same

evening and is open to all Owner's and guests.

For those of us "die hards", PWR will be hosting a Thanksgiving potluck dinner on Saturday October 11. Watch from more information on our website and bulletin boards.

Property Management

If you see anything that requires the attention of the Property Manager, please do not hesitate to contact them. Contact information is posted on the two notice boards and our website (pointswestresort.ca). They can be contacted either by phone or EMAIL.

Condominium Bylaws

Reminder to all to be familiar with the by-laws, and policies and guidelines of the Corporation. It is for the benefit and enjoyment of all.

The end of the 2008 season is quickly approaching. Please take note of the following dates:

Water shut off Oct 15
Power shut off Oct 31

Keep in mind that the above dates may be earlier based on weather conditions.

In order to make Park shutdown as smooth as possible, please physically remove all connections from your unit from the Park infrastructure (electricity, water, and sewer), and ensure that the Park infrastructure is accessible from your unit.

Committees

Melanie (Lot 4) will be heading up the Playground Rehabilitation project in the Spring of 2009.
